REPORT

OF

THE LIBRARIAN

OF

THE LEGISLATIVE ASSEMBLY.

THE LIBRARIAN of the Legislative Assembly begs leave respectfully to REPORT:

That during the past recess there has been procured for the Library a small collection of books, considered to be indispensable for the use of Members in the business of legislation, a list of which is hereunto appended.

These purchases have been effected under the authority of the Honorable the Speaker, who has confined himself strictly to the directions of the Library Committee of last Session:—that Mr. Speaker do procure such books of reference merely, as may be deemed indispensably necessary.

Besides these purchases, however, several donations of books have been received from various sources; partly in consequence of the circular letters addressed by Mr. Speaker to certain public functionaries on this continent, and in England; and partly from the spontaneous liberality of two or three gentlemen residing within the Province. A complete list of the donations received up to this date is annexed to this report.

Among the donations already obtained, there is one deserving of especial mention, namely, a most valuable collection of the

Journals and Sessional Papers of the House of Commons, which has been generously presented to the Library by order of the Honorable the Speaker of that House, and will be found invaluable for the purposes of reference.

Proper accommodation has been provided for all these works and, upon their receipt, the number of books in the Library will fall but little short of three thousand volumes.

Mr. Speaker has also intimated to the Librarian that opportunities having occurred of repairing, to a small extent, the loss of the valuable collection of works on America, collected by Mr. Faribault, Clerk Assistant of your Honorable House, he had availed himself of the zeal and erudite information of that gentleman in this particular, and had authorized him to effect purchases to a limited amount. A list of the books, so obtained, will be added to the catalogue, as soon as reported by Mr. Faribault.

All which is respectfully submitted.

WILLIAM WINDER,
Librarian, Legislative Assembly.

RAPPORT

DU

BIBLIOTHÉCAIRE

DE

L'ASSEMBLÉE LÉGISLATIVE.

Le Bibliothécaire de l'Assemblée Législative, prend respectueusement la liberté de faire Rapport.

Que, durant la dernière vacance, l'on a acheté pour la bibliothéque une collection peu considérable de livres que l'on regardait comme les plus indispensables pour mettre les membres en état de vaquer à leurs devoirs de législation, et dont une liste est ci-annexée.

Ces achats ont été faits d'après l'autorisation de l'honorable Orateur qui s'est borné strictement à remplir les instructions qui lui avaient été laissées durant la dernière session par le comité chargé de la surveillance de la bibliothèque, savoir—que Mr. l'Orateur soit chargé de faire acheter les livres de référence seulement, qui seront considérés comme indispensablement nécessaires.

Mais outre ces achats, plusieurs dons de livres ont été reçus de diverses sources—partie en conséquence de la circulaire adressée par Mr. l'Orateur à certains fonctionnaires publics sur ce continent et en Angleterre;—et partie par suite de la libéralité spontanée de deux ou trois Messieurs résidants dans la Province.

Une liste complette des dons reçus jusqu'à ce jour, est annexée à ce rapport.

Parmi les dons de livres déjà reçus, il en est un qui mérite une mention spéciale, savoir, une collection très précieuse des journaux et des documents parlementaires de la Chambre des Communes qui ont été généreusement présentés à la bibliothèque par ordre de l'honorable Orateur de cette Chambre, et que l'on trouvera d'un service inappréciable comme livres de référence.

L'on a disposé des tablettes et rayons convenables pour recevoir et placer ces livres; et à leur arrivée, le nombre des livres de la bibliothèque ne sera pas beaucoup en deça de 3000 volumes.

Mr. l'Orateur a aussi intimé au Bibliôthécaire, que l'occasion s'étant plusieurs fois présentée de réparer jusqu'à un certain point la perte de la collection précieuse d'ouvrages sur l'Amérique recueillie par Mr. Faribault; it avait profité du zèle et de l'érudition de ce Monsieur à cet égard, et l'avait autorisé à en acheter un nombre limité.

Une liste des livres ainsi obtenus sera ajoutée au catalogue, aussitôt que Mr. Faribault en aura fait son rapport.

Le tout néanmoins respectueusement soumis.

(Signé) WILLIAM WINDER,
Bibliothécaire de l'Assemblée Législative.

REPORT

OF THE

LIBRARIAN OF THE LEGISLATIVE ASSEMBLY,

IN THE SESSION OF 1851;

WITH A

CATALOGUE OF BOOKS

IN

The Parliamentary Library.

PRINTED BY ORDER OF THE LEGISLATIVE ASSEMBLY

BIBLIOTHEQUE DES P.P. FRANCISCAINS
ST-THEOPHILE

TORONTO:

LOVELL AND GIBSON, FRONT STREET.

1851.

REPORT OF THE LIBRARIAN

OF

THE LEGISLATIVE ASSEMBLY.

THE LIBRARIAN has the honour to submit the following REPORT:

In the past Session of the Provincial Legislature a sum of £2,000 was voted by Your Honourable House, for the reconstruction of the Parliamentary Library; which sum, it was further ordered, should be expended under the authority of the Honourable The Speaker, in conjunction with the Honourable the Speaker of the Legislative Council.

In pursuance of this direction, lists of Books, in various departments of literature, were prepared, during the Recess, and placed in the hands of Agents, to be sent to Europe for the purchase of the different works named therein. None of these have yet been received, but as they have been directed to be sent with all convenient speed, it is hoped they may arrive early in the present Session.

Presents of legal, parliamentary, and miscellaneous Works have been received, since the last Session of Your Honourable House, from the Congress of the United States at Washington, and the States of Vermont and New York, and from the Province of Prince Edward's Island, lists of which are included in Appendix A, to this Report.

In return for these donations, copies of the Journals of Your Honourable House, with the Appendices of the past Session, and such other parliamentary publications of our Provincial Legislature as were available, have been transmitted, under the authority of the Clerk of the Assembly, to the Library of Congress, and the State Library of Vermont.

Pursuant to a Resolution and Order of Your Honourable House, upon the recommendation of the Joint Committee on the

Library, tenders were advertised for, and a contract made, for the binding of the Journals of the Imperial House of Commons, and also the Votes and Proceedings of that body, presented to the Library in the year 1850. The lowest tender for the same having been made by Messrs. Armour & Ramsay, the work was entrusted to them, and it has been executed in a manner highly advantageous and satisfactory.

During the Recess some purchases have been made, of trifling amount, consisting of extra copies of the Journals, to replace broken setts; a copy, unique, and nearly complete, of the Official Gazette of Upper Canada, to the period of its discontinuance; a few Dictionaries, and other works of paramount utility. A list of these will be found annexed to this Report, marked A.

Out of the appropriation of last year, a sum of about £270 has been set apart, under the authority of the Speakers of both Houses, for obtaining Works on the History of Canada and America, to replace in part the valuable collection formerly made under the superintendence of Mr. Faribault. The procuring of these Books has been again entrusted to this gentleman, with a conviction that it could not have been left in better hands. Most of the works selected by him have been already received, and are enumerated in Appendix B, at the end of this Report. The remainder may be expected to arrive in due course.

The number of Volumes at present in the Library, (exclusive of the American collection, which still remains at Quebec,) may be estimated at about 3,500; the whole of which are in good preservation.

All which is most respectfully submitted.

WILLIAM WINDER,
Librarian, Legislative Assembly.

PARLIAMENTARY LIBRARY,
21st May, 1851.

RAPPORT DU BIBLIOTHÉCAIRE

DE

L'ASSEMBLÉE LÉGISLATIVE.

LE BIBLIOTHÉCAIRE a l'honneur de soumettre le rapport suivant :

Pendant la dernière session de la législature provinciale, votre honorable chambre a voté la somme de £2000 pour rétablir la bibliothèque du parlement, avec injonction de dépenser cette somme sous la direction de l'honorable orateur agissant de concert avec l'honorable orateur du conseil législatif.

Conformément à cet ordre, des listes de livres des diverses classes de la littérature ont été préparées pendant la vacance et placées entre les mains des agents, pour être envoyées en Europe où doit se faire l'achat des ouvrages qui y sont nommés. Aucun de ces ouvrages n'a encore été reçu ; mais comme ordre a été donné de les envoyer le plus promptement possible, on peut espérer qu'ils arriveront de bonne heure pendant la présente session.

Depuis la dernière session de votre honorable chambre, il a été reçu des présents d'ouvrages légaux, parlementaires et autres, du congrès des Etats-Unis, à Washington, des états du Vermont et de New-York, et de la province de l'Ile du Prince-Edouard, dont des listes sont annexées au présent rapport, appendice A.

En retour de ces dons, des copies des journaux de votre honorable chambre, avec les appendices de la dernière session, et telles autres publications parlementaires convenables de notre législature provinciale ont été transmises, par l'ordre du greffier de l'assemblée, à la bibliothèque du congrès, et à la bibliothèque de l'état de Vermont.

En conformité d'une résolution et de l'ordre de votre honorable chambre, d'après une recommandation du comité conjoint de la bibliothèque, des soumissions ont été demandées par an-

nonces, et un contrat fait pour la reliure des journaux de la chambre des communes impériale, ainsi que les votes et délibérations du même corps, présentés à la bibliothèque dans l'année 1850. Les soumissions les plus basses ayant été faites par MM. Armour et Ramsay, l'ouvrage leur a été confié, et il a été exécuté d'une manière très avantageuse et satisfaisante.

Pendant la vacance, quelques achats ont été faits, pour une légère somme, consistant en copies extras des journaux pour compléter des séries ; une série unique, et presque complète, de la gazette officielle du Haut-Canada, jusqu'à l'époque où elle a cessé de paraître ; quelques dictionnaires et autres ouvrages d'une grande utilité. Une liste de ces ouvrages est annexée à ce rapport et marquée A.

Par ordre des orateurs des deux chambres, il a été pris et mis de côté, à même l'allocation de l'année dernière, une somme de £270 pour se procurer des ouvrages sur l'histoire du Canada et de l'Amérique, pour remplacer en partie la riche collection qui avait été ci-devant faite par M. Faribault. Ce monsieur a été chargé de l'acquisition de ces livres, dans la conviction qu'on n'aurait pu la placer entre de meilleures mains. La plus grande partie des ouvrages choisis par lui a déjà été reçue, et est énumérée dans l'appendice B, qui se trouve à la fin de ce rapport. On peut s'attendre que le reste arrivera à temps.

Le nombre des volumes actuellement dans la bibliothèque (à part la collection américaine, qui est encore à Québec) peut être estimé à environ 3,500 ; le tout est en bon ordre.

Le tout est respectueusement soumis.

WILLIAM WINDER,
Bibliothécaire de l'Assemblée Législative.

1er Vol. ——

Nous avons eu le plaisir d'avoir hier la visite de notre ami M. P. L. Morin, du Département des Terres de la Couronne, qui a passé l'hiver à Paris et au sein de sa famille qui demeure à une petite distance de cette métropole. M. Morin parait avoir fait un voyage bien fructueux, quoiqu'il ne se soit pas toujours trouvé sous des circonstances bien joyeuses. Huit jours après son arrivée dans sa famille, qu'il n'avait pas vue depuis 15 ans, il eut le malheur de voir mourir une vielle tante et quelques jours plustard un jeune frère. Comme le principal but de son voyage en France était une visite dans sa famille, ce douloureux événement a changé en deuil les émotions d'un plaisir indicible qu'il avait dû éprouver à son retour au domicile paternel.

Le gouvernement n'a pas voulu manquer l'occasion de tirer un parti avantageux des moments que Mr. Morin devait passer en France. Il l'avait chargé d'une mission interressante, celle de receuiller dans les archives de Paris, toutes les cartes géographiques, plans &c. qui ont de l'importance pour le Canada ; et on va voir par la liste qui suit que M. Morin n'est pas resté inactif. Il a été reçu avec une politesse distinguée et même avec faveur dans les départements des ministres de la guerre, de la marine, des colonies et dans la Bibliotheque et les Archives Impériales. Il y a recueilli une magnifique collection de cartes d'un grand prix pour le Canada, et cependant, il en reste encore une nombreuse liste que le temps ne lui a pas permis de copier, ne pouvant pas prolonger plus longtemps son séjour à Paris. Il s'était mis en rapport avec M. A. de Puisbusque qui lui a rendu de grands services dans ses recherches.

Outre les cartes dont nous donnons la liste, M. Morin a pris différents plans qui ne manquent pas d'intérêt. Il s'est aussi procuré une collection de fossiles précieux.

Dans la bibliothèque du dépôt de la guerre, il a mis la main sur un volume en langue anglaise, intitulé "Memoirs of a French Officer." C'est une histoire critique, impartial et milititaire de la guerre en Canada jusqu'à la capitulation signée à Montréal en l'année 1760.

"Un plan du siège de Québec.

"Un dialogue des morts, de 54 pages, entre le Marquis de Montcalm et le Général Wolf, tués tous les deux a la bataille de Québec le 13 septembre 1759, à la tête des armées française et anglaise qu'ils commandaient. Parallèle des fautes militaires commises également par l'armée anglaise et l'armée française durant la campagne de 1759 en Canada."

Ordre de la marche du Général Bradock sur la rivière Ohio où son armée fut mise en pièces en 1755, par 650 canadiens et indiens, (200 pages de manuscrits et plans.)

M. Morin a visité Mesnil-sur-l'Estrée. "Le nom de l'Estrée, Strata, dû à la voie Romaine d'Evreux à Dreux, qui passe sur ce territoire, fut appliqué à une Abbaye fondée d'abord en 1144 pour des Moines de Citeau, et occupée ensuite par des religieuses de l'ordre de St. Bernard, etc., en 1714, on ré-

nit le revenu à l'évêché de Québec dans la Nouvelle-France, Canada."

Voici la liste de principaux ouvrages que rapporte M. Morin :
